

THE JANE GANG

Two-steppin' West Texas-swing, fiddle-BOY,
ROMPIN' STOMPIN' MUSIC with a real
WESTERN SWING OUTFIT, THE JANE GANG

AND
TEXAS BAR-BE-CUE

August 31, 2011

Our own Jane Goldman is a fourth-generation Texan with sincere admiration for Bob Wills and his Texas Playboys, who brings to the

club Western Swing that will git everybody up and dancin'.

Dress code is Levis 501s, cowboy boots, western shirts, hats, belts, bolo ties, and western gear. Purdy ladies should have purdy dresses. So ditch the Brooks Brothers and the Armani and go Trans-Pecos: think Abilene and Amarillo to El Paso and San Angelo. Don't think the jeans will last as our St. B dress-code. This is a special BOG dispensation and at the stroke of midnight everything returns to jacket, tie, and pressed pants. And the swing music goes away.
